REMIND YOUR CHILDREN

Please make sure your child knows their order is in their bag. Children are to place their orders in the 'Lunch Order bag' as soon as they enter the classroom. The school does remind the children to hand in their orders on Monday & Friday mornings but each child is responsible for their own lunch order and will need to remember to take it out of their bag as they enter the classroom.

CORRECT PAYMENT (menu / price list overleaf)

It is preferable that each child has their own order and correct money BUT if you have a family order, please write out a sandwich bag for each child and place all of these bags inside the eldest child's lunch order bag. Please indicate on each bag that the money for all orders is included in the eldest students' order. Please ensure the payment for the family order is correct. Large notes (eg. \$20 will not be accepted [except for family orders]) for student lunch orders.

If any change is required this is usually returned in the lunch bag, wrapped in tissue paper (which can easily be thrown out by mistake), or attached to the front of the lunch bag with tape. Please remind your child if you are expecting any change.

Orders are picked up by the representative from the Deli at 9:30am. If your child forgets to hand in their lunch orders, late orders will only be accepted before 10.30am. If orders are not placed by this time, parents will be contacted and are required to make other lunch arrangements.

The school does not check the orders or process any money. The orders are filled by "delilicious" Deli and brought back to the school in time for the lunch break.
