Dear Parents,

In St Luke's Gospel this Sunday we are reminded to be guided by our faith and the light of Christ which will ultimately draw us to eternal life with God our Father in Heaven. The transfiguration of Christ as depicted in Sunday's Gospel reveals what the disciples saw when they looked up; our Lord Jesus. To see Jesus is to see God himself. To be in communion with Christ is to be in communion with God. We are privileged through this communion to be called into God's embrace to share in the love of our Father. During this time of Lent let us call those in our lives into that communion of God, reaching out to others and making a difference in their lives sharing this unconditional love and compassion as we journey with Christ.

This week I have enjoyed attending each of the Parent /Teacher information evenings. These gatherings have been a great opportunity for teachers to meet with parents of children in their class to outline their expectations for the year, classroom routines, areas of study across the key learning areas as well as discuss homework, timetables and parental involvement in the teaching partnership with your children. Thank you to our parent community who took the time to attend these sessions and to the teachers for their time and commitment in preparing the presentations. It is important that throughout the year you remain proactive in being involved in the educational partnership of your child. The teachers and I look forward to working collaboratively with you all throughout 2016 in seeing your children grow and succeed in all aspects of their development.

This Friday the Principal and several teachers from Marist Brothers College Eastwood will visit CTK to meet with our boys from Years 3-6. This is an opportunity for the staff of the college to share with our students what life at the college is about and what it means to be part of the Marist tradition. Information regarding enrolments for the relevant grades will be disseminated on Friday for your consideration.

Parents are reminded that supervision of students of a morning does not commence till 8:15am. It is important to note that children arriving prior to this time should be booked into our *Before and After School Care*. Details of this service are available from the CTK school website. Care should also be taken both of a morning and afternoon if you are driving through our playground dropping off or picking up children. It is everyone's responsibility and duty of care to ensure our children are safe as they arrive and leave our school precinct. Your support in this matter is much appreciated.

Best wishes to all our students who will attend the Hills Hawkesbury Zone Swimming Carnival next Monday and the upcoming representative trials for our various Diocesan sporting teams. Several of our children over the next few weeks will trial for positions in these representative sports across football, rugby league and union, Touch, netball and AFL.

Have a great week

Tony Hughes, Principal

## P & F NEWS

### P&F Future Structure Meeting NEXT TUESDAY 23rd FEBRUARY

Dear Parents

A meeting will be held in the school library next Tuesday 23rd commencing at 7pm to discuss the future structure of our Parents and Friends Association.

It has come to my attention in recent months since my appointment, that the current model needs to be reviewed and revamped to involve more parents. This parent body needs to focus more on the social aspects of our school community building rather than fundraising.

This is not a meeting to elect new office bearers for the new year, but an opportunity for all members of our school community to attend a forum to voice your views on this matter and to discuss how we can best structure the P&F Association for the benefit of the CTK school community in the future. I look forward to meeting with you to discuss this important aspect of our school community on the 23rd February.

Regards

Tony Hughes, Principal

**Ice Block Friday** will continue TOMORROW Friday 19th February.

Assistance from any available Year 1 parents would be most appreciated. Please meet me in the Hall kitchen at 1.20pm on the day.

Ice Blocks are \$1 each. Please inform the office if you do NOT wish your child to purchase an ice block or please ensure that your child has their money on the day to avoid any tears.

The School Office is open from 8.30am to 3.30pm.

## **EVACUATION PRACTICE**

Christ the King Primary School practiced an evacuation drill from classrooms, library, sports and office areas on Tuesday. This drill is a compulsory component of our emergency procedures and is held to ensure that all our students and staff know the appropriate emergency response and are kept as safe as possible in the event of a fire.

Students were informed of the evacuation drill and had an opportunity to discuss the drill with their teachers before and after the event.

Students were reminded that it was only a practice and not to be alarmed when the announcement of an evacuation is made.

# Premier's Reading Challenge

This year Christ the King will be registering all of our students for the Premier's Reading Challenge (PRC). This is a wonderful opportunity for you to encourage your child's reading and for your child to experience a variety of quality literature throughout the year. Students will have a reading log in their message folder, the back of their homework book or in their diary to keep a personal ongoing record of books read. The PRCID is the most important section to complete as this is the code you will use to enter your child's reading log onto the PRC website in Term 3. We ask that parents sign each entry once a book is finished, books read in class will be acknowledged by the class teacher. Although the Holy Faith Library has many of the books on the PRC lists, please visit your local libraries for extra books. Following is a summary of the PRC rules; visit the website for more information

<https://products.schools.nsw.edu.au/prc/home.html>

- The Challenge runs from 7th March to 19th August 2016. Ongoing reading is encouraged.
- Students must complete a set amount of reading to meet the Challenge, see table below:

Challenge	Number of books needed to complete the Challenge	Minimum number of PRC books for your Challenge	Maximum number of personal choice books	PRC booklist selection
K-2	30	25	5	K-2, 3-4
3-4	20	15	5	3-4, 5-6
5-6	20	15	5	5-6, 7-9

- Independent K-2 readers should attempt the 3-4 Challenge.
- To experience a book your child can listen to the book, participate in a shared reading of the book or read part or all of the book independently.

## **Privacy Information**

It is a condition of entry that all students entering and successfully completing the Premier's Reading Challenge will receive an official PRC certificate and their names may appear on the PRC Gold and Platinum Honour Roll. Schools registering students must ensure that a parent/caregiver understands that all students entering the Premier's Reading Challenge will receive a PRC certificate and appear in the PRC Gold and Platinum Honour Roll. The certificate shows the student's name and school. Only the students' name will appear in the Gold and Platinum Honour Roll with no other identifying factors. Participating schools appear as a separate list and home-schools are not listed individually.

**PASSWORDS will be issued at the beginning of Term 3. Until this time please use the Personal Reading Log at the back of your children's homework book, in their message folder or in their diary to record the title, author and PRC ID number of each book read. The PRC ID number can be found either on the title page of the book or from the PRC web site under book list.**

**It is parent's responsibility to ensure that each child's reading log is entered onto the official PRC website by the closing date of 19th August, 2016. Please watch for updates in the newsletter.**

- Students, whose online entries are received by the closing date of 19th August, 2016 will have their certificates sent to school in Term 4.
- Students who complete the Challenge for four years receive a gold certificate., for seven year receive a platinum certificate.

Thank you. Please contact me if you have any questions.

# How to keep your child safe online

## TIPS FOR PARENTS

Here are some tips for parents to keep your child safe online

### BE SAFE

- \* Be aware of how your child uses the internet and explore it with them
- \* Set rules and monitor to make sure your child knows what information they can share or post online and which websites they can visit
- \* Teach your child to tell a trusted adult if they feel uncomfortable about something they have found on the internet or received in an email
- \* Discuss with your child the importance of keeping personal information private. This sort of information can be used to identify or locate where they live, go to school or activities in which they are involved

### BE RESPECTFUL

- \* Talk to your children about cyberbullying. Online communication should be responsible and respectful
- \* Children and adolescents who are being cyberbullied sometimes change their behaviour. If you are concerned they might be a victim of cyberbullying, talk to them and tell them you are concerned. Arrange to talk to a teacher or school counsellor
- \* Advise your child not to respond to any negative messages and to keep evidence. Tell them to report any negative messages they receive to you or another trusted
- \* Children and their parents can contact social media companies and ask for defamatory material to be taken down. If the material is not gone within 48 hours, a complaint can be lodged with the Office of the Children's eSafety Commissioner at [www.esafety.gov.au](http://www.esafety.gov.au)

### BE RESPONSIBLE

- \* Consider using inbuilt filters and controls on your digital devices and home network to manage your children's online access. Keep your virus protection up to date
- \* Talk with your child about being careful when downloading files or clicking on links. Some files or links may be harmful viruses or trying to obtain personal information
- \* Certain online activities (downloading illegal videos or music, plagiarism, sexting, identity theft, 'hacking' networks) are illegal and can result in criminal charges
