Dear Parents

Gospel Reflection

St Luke's Gospel this Sunday outlines the birth of John the Baptist. Luke in his writings this week emphasises the significance of John's birth in a similar manner to the birth of Christ. Both John's and Jesus' birth are similar in some ways as they both went on to be a voice for the poor, proclaim the kingdom of God and be evangelists promoting God's unconditional love to a people who needed to be repentant. Baptism and the Holy Spirit were strong gifts and influences that both Jesus and St John used and espoused in their ministries. Both were instrumental in their lives. Jean Vanier sums up their lives and ministries on Earth through the following quote: *"To love someone is to show to them their beauty, their worth and their importance"*. These actions truly characterise both Jesus and St John and the manner they encouraged us all to treat our fellow brothers and sisters.

Today your children will have received their first Semester reports. Please take the time, over the next two weeks, to sit down with your children prior to their parent teacher interview acknowledging their achievements and discussing identified challenges for the second half of the year. It is a time to set attainable goals with your children in regards to their studies and the expectation of what they can achieve over the next six months. I would like to thank the teachers for the many hours spent over recent weeks marking assessments and writing student reports. Information regarding the online parent teacher booking procedure was distributed last week. Please ensure you have made an appointment for an interview. Interviews will be held over the next two weeks. It is important that parents are punctual for their designated interview time. Each interview is ten minutes in duration. If you require additional time to discuss your child's studies, please make an appointment with your child's teacher for a follow up meeting. Your co-operation in these matters will be greatly appreciated by staff and other parents.

Tomorrow our Athletics carnival will be held at Gooden Drive Reserve Winston Hills. This is a designated school day with the expectation that all students attend. This is a great community day where by our CTK sports houses compete in a variety of field and track events as well as series of activities facilitated by SISA who have been working each week with the children throughout semester one. The carnival will also serve as a selection trial for the upcoming Hills Zone Athletics carnival in early term 3. We look forward to a day of fun, competition and community involvement.

Thank you to all those families who completed our lunch order survey run over the last two weeks. The data collected endorses the parent community's wish to pursue an online ordering and payment lunch service five days a week for our students. The Parramatta Diocesan Catholic Education office will now put our service request out to tender. I will keep you informed over the next few weeks regarding the tender process.

Thank you to all our families who made a donation of lollies and sweets last Monday during our most recent mufti collection day. Your contributions will assist us greatly in providing candy for our spring fair in September. Thank you also to all our students who took the opportunity to wear their favourite sporting team strips.

Next term the CTK school choir will reconvene for semester 2. Thank you to Miss Nicholls who has offered to work with these children who love to sing and be part of the CTK choir singers. More details regarding the day and time the choir will rehearse will be made known over the next fortnight prior to the holidays. A reminder that our band recital will be held next Thursday evening in the hall commencing at 7pm. We look forward to a night of musical entertainment!

A reminder that children who bring mobile phones to school each day are to drop them off at the office on arrival and pick them up when they are dismissed. Children are reminded that mobiles are only to be used for emergencies and therefore should not be used to play games whilst waiting on lines of an afternoon. Please note that all phones brought to school are the responsibility of the students and not the school. Your understanding and co-operation in this matter will be greatly appreciated.

Thank you to those families who have already returned their World Youth Day tickets. All sold and unsold tickets together with the money need to be returned by next Friday 29th June.

Have a great week
Tony Hughes
Principal

The Furious Dragon - by Laura Diab (Year 4)

I ran as fast as lightning to the front door when I suddenly heard a very fierce sound. I peeked out the door very cautiously and suddenly...

I saw a tremendous shadow on top of me. Then out of nowhere, the shadow took shape and flew right above my head. Then it went away. I looked on the roof where the giant creature came from, and I saw three huge blue eggs with black spots.

I ran back into my room because I didn't know what creature could be in those eggs. The giant creature was back and finally I got to see what it was. It was a dragon! This dragon was a boy with a pure black body and a cherry red stomach. Its claws were as sharp as knives and his teeth were as white as crystals.

The giant creature put the eggs on the floor. The huge eggs started hatching. I closed my eyes really tight. When I opened my eyes all I could see were baby dragons with their mother.

I went outside to take a closer look. The baby dragons were adorable but their mother looked dangerous. Then she started speaking to me.

"Hello, what is your name?" asked the dragon." My name is Laura" I replied." How did you get here?" The dragon started speaking" Well, I was flying in the forest carrying my eggs, then they got too heavy so I flew down and landed on the roof." As I was listening I stopped the dragon then began" Can you get to the forest now?" " Yes and I better get going before it gets dark."

As I watched the dragon leave I felt sad but also astounded, and as well as that, I already missed the baby dragons because they were so cute. Then I yelled "bye dragons!"

THE END

The Spotty Eggs - by Lucy Bosci (Kindy)

At my school there
are big spotty eggs.

The Mysterious eggs should be removed!

Written by, Marina Abdallah

Did you know that the mysterious eggs might be a feathery, spotty and enormous type of Dinosaur? Some students think that the eggs appeared out of nowhere! So I positively think that these abandoned eggs should be removed!

Firstly, the giant eggs should be removed immediately because they might be poisonous. This means that students could be poisoned and become sick if they get too close to the eggs. Someone must remove the eggs ASAP. The eggs might cause a big problem.

Secondly, the eggs will cause a lot of trouble. If the eggs hatch they will trash the school like a junkyard! Because they will break things like, school supplies and even the classrooms! I positively think that the eggs should be removed before they hatch!

Thirdly, the eggs should not stay there any longer because they might hatch until the mysterious monster comes out of the egg! I am sure they will be dangerous If they hatch that would be an enormous problem!

In conclusion, the mysterious eggs should be removed very, very soon. I think that the eggs would be rainbow, but I mostly think the monster would be furry, monstrous and the colour of the monster would mostly be purple.

Thank you for reading!

RELIGIOUS EDUCATION NEWS

Gospel of Mark — daily prayer and reflection

At Christ the King School we greatly value daily prayerful reading of Holy Scripture. We acknowledge the significance that reading the narrative of Jesus Christ sequentially has in developing a deep faith and love of Jesus. This is also an opportunity to reveal the true mission and message of Jesus Christ, assisting each of us to recognise and accept our call to live and spread the Gospel values within a contemporary world.

The students at Christ the King School will be reading an online Bible, Bible Gateway at www.biblegateway.com and using the Contemporary English Version. This online version has been approved by the Bishop's office, which has been chosen as it uses appropriate language for Primary aged students. You are welcome to use the online Bible or your own Bible at home. Each week in the Christ the King School Newsletter and the Christ the King Parish Bulletin, the weekly readings will be published.

This week the school community read these readings from the Gospel of Mark.
