Dear Parents

During Lent we are encouraged to pray more intently and fast. Prayer is part of everyday life for all of us and something that we are encouraged to participate in with God regularly. Fasting however is an action in which we are encouraged to partake during the season of Lent. So what is 'fasting'? Fr Michael Fallon a scriptural Australian Scholar summarises what fasting is in the following extract from his homily for this Sunday. *Fasting means going without. It means a change of routine. It focuses our attention on the external habits into which we have grown, and by denying some attraction, we keep reminding ourselves that our real hunger and need is for God. This is the idea behind giving up something for Lent. It is not so much doing without some special food or drink or luxury. It is so that when we do without it we will be reminded of God. It is a good idea to make a small prayer each time we fast.* So as we journey throughout next week let us focus on the need for God in our lives and 'fast' from those things in life that distract us from a prayerful connection with our Lord. Let's reach out to others and make a difference in their lives.

The Diocese of Parramatta will be conducting a parent retreat on Wednesday 1st May, 2019.

This will be a day of relaxation for parents that will be held at St Joseph's Spirituality Centre, Baulkham Hills from 9.30am - 2.30pm. The day will be facilitated by Monica Dutton who has had extensive experience as an educator and presenter. Monica has facilitated Retreat programs in a variety of contexts with both students and adults. Monica has completed her PHD in Adult Formation and incorporates creative and practical activities to explore and nourish faith. This is a day for Parents to recharge their spirit by participating in enjoyable and reflective, individual and communal activities. If you would like to register for the retreat day please click on this link. https://docs.google.com/forms/d/e/1FAIpQLScableE_ydiThw1CC-Vtnjixlgb6HR8pkNy-wZWWUJXEIKA/viewform

Thanks to all our parents who have volunteered to be part of an Events Committee for 2019. Activity pertaining to several of our committees has commenced with planning well underway. This Wednesday 27th March at 2pm in the staffroom the first meeting of the 2019 Year 6 Graduation committee will be held. Those who have volunteered and any other Year 6 parents are welcome to join us. As Term 1 draws to a close the next major community celebration post Easter is Mother's Day. The Friday prior to Mother's Day is a day of celebration where we acknowledge all the wonderful things our Mothers do for us every day of the year. In recognition of this, I am calling on the Dads in our community to come forward and volunteer to provide and serve morning tea to our school Mums after our Liturgy on Friday 10th May. If you can assist in any way on this committee please contact me via email ahughes@parra.catholic.edu or mobile 0432 056 959 in the next week or so. Looking forward to hearing from you.

Thank you to everyone who has co-operated, in the spirit of safety, with our No Right Hand Turn out of the drive way onto Statham Ave each afternoon. The trial so far has proved most successful in easing traffic congestion providing a safer entry and exit to and from the school site. From next week the **NO RIGHT HAND TURN onto Statham Ave** will run from 2:30pm-3:15pm. Observations this week has shown that much of the congestion and traffic has dispersed by 3:15pm, hence the change in time of the trial each afternoon. Any constructive feed back would be greatly appreciated regarding this trial. Thank you once again for your support. It is also important to ensure that vehicles **DO NOT ENTER THE EXIT driveway at any time of the day** as there have been several near misses in recent weeks.

Last Thursday several CTK Stage 2 and 3 teams took part in the NRL Rugby League Gala day at Ollie Web Reserve Parramatta. I had the opportunity to watch a few of the matches hoping to find the next generation of NRL stars that hopefully one day will play for the mighty Eels. Thanks to Mr Barbaro who organised the teams and attended as our team manager on the day. A special thank you to the parents who provided transport and supported the teams. Thank you and well done to all concerned!

Just a reminder that dogs are not permitted on the school site at any time. Your co-operation in this matter is greatly appreciated.

Tony Hughes

SACRAMENT OF FIRST HOLY COMMUNION

In accord with Parramatta Diocesan policy, we will be conducting the parish-based, family centred, school supported method of preparation for baptised Catholic children eligible to receive the next sacrament of initiation (First Holy Communion) into full membership of the Church.

Children who have already received the Sacrament of Reconciliation and whose families reside within our parish boundaries (or who worship regularly at Christ the King) are now eligible to receive the sacrament of Eucharist (First Holy Communion).

In the parish of Christ the King, the sacrament of First Holy Communion will be celebrated at the three parish masses on the weekend of 22nd/23rd June (the Feast of Corpus Christi).

The program for preparation to receive the sacrament of First Holy Communion will commence with an information meeting for parents/guardians (without children) on Wednesday, 27th March commencing at 7.30pm in Christ the King Church, where the program and enrolment procedure will be explained and any questions answered.

This is a significant step in your child's journey of faith. It is **essential** that parents/guardians attend this meeting.

ENROLMENT PACKAGES FOR 2020

Enrolment packages for 2020 are now available. Sibling enrolments forms have been sent home. Parent/Student enrolment meetings will commence in early May and continue throughout June. This meeting will be an opportunity to meet with all parents and their child/children of our parish/school to discuss any relevant issues about beginning school.

Please return enrolment forms to the office by Friday 12h April.

Please pass this information onto friends, neighbours, relatives etc. if appropriate

As part of the compulsory component of our WHS Emergency Procedures, the school is required to have several Evacuation / Lockdown drills throughout the year.

Next week we will be having a routine practice for our fire evacuation plan.

To prepare and reassure students, over the next few days, teachers will be explaining what the drill sounds and looks like.

Mathematics at Christ The King

Thank you to all the students and their families who submitted their responses to our first Maths Challenge!

Some of our most impressive answers are featured below.

Read on to see our next challenge.

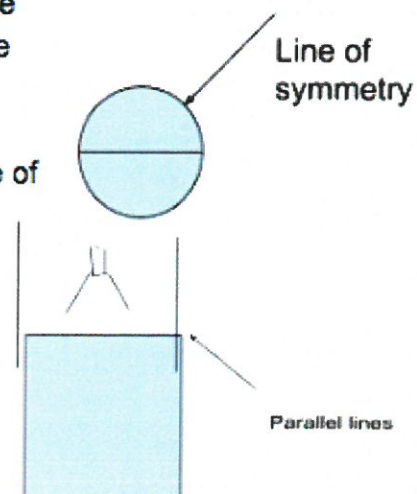

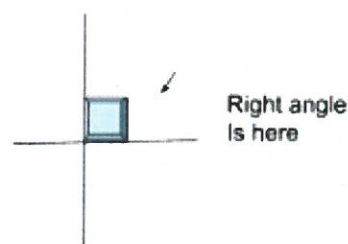

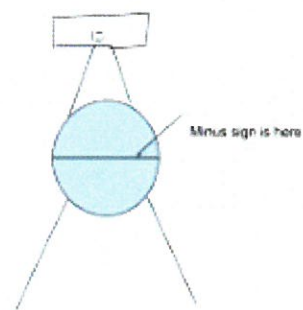

Previous Maths Challenge - What 'maths' can you see in the picture?

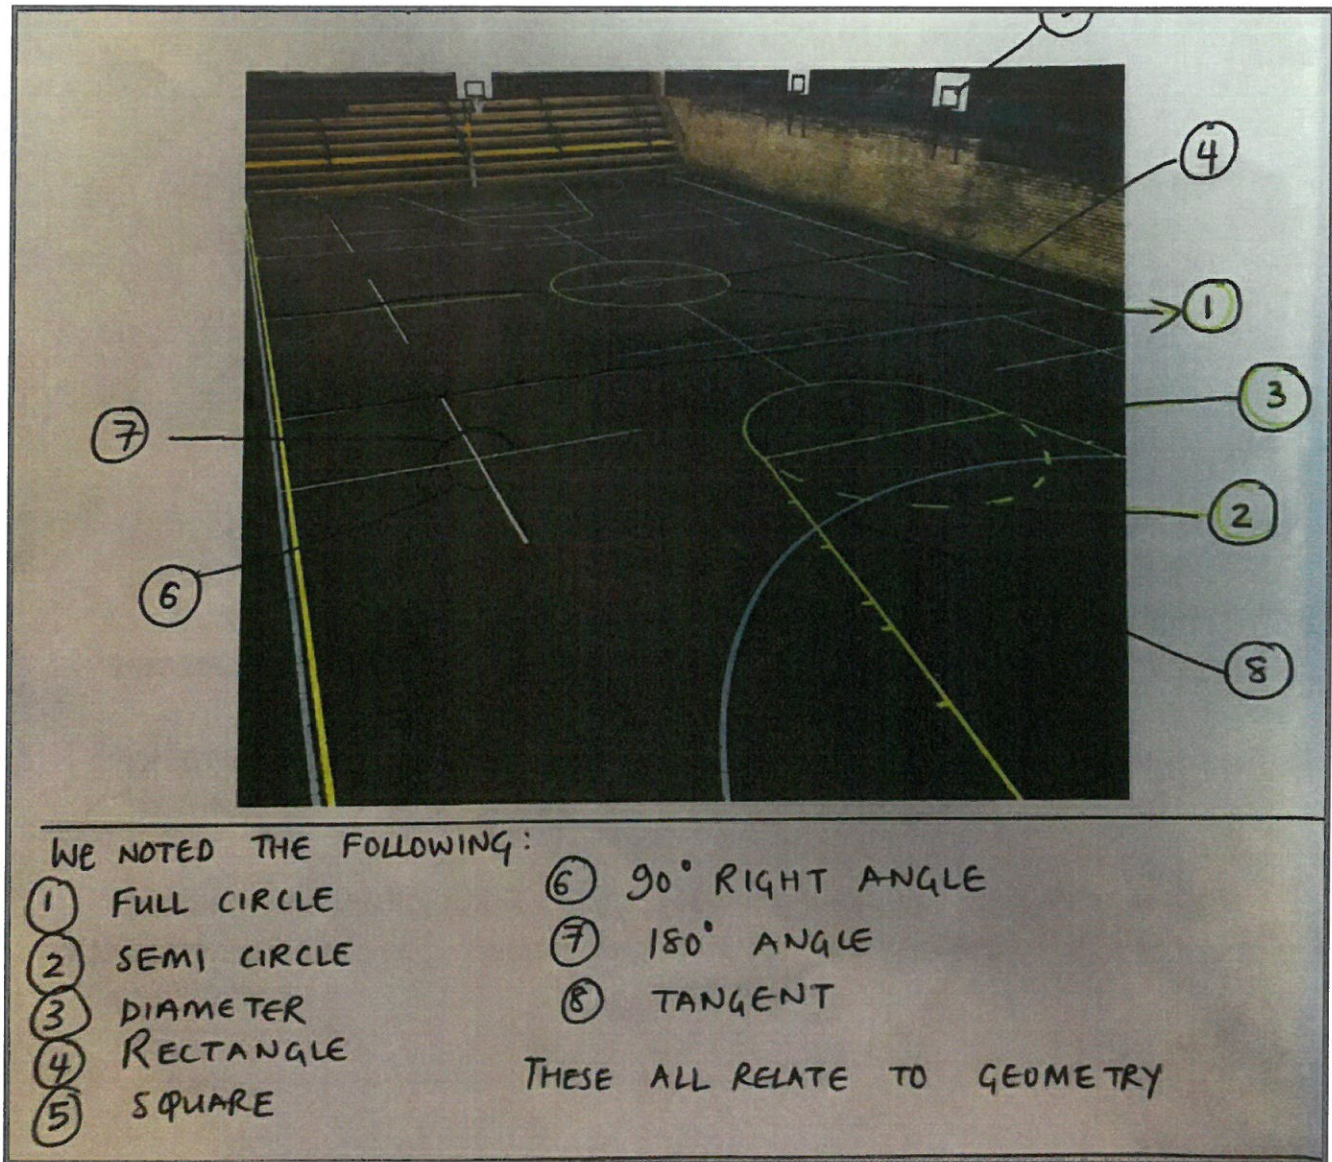

Ranbir (Year Four)

The shapes and maths signs on the basketball court are:

- Brackets in the shooting area. Brackets can be used in a sum like this: $3 + (3 \times 7) = 24$.
- Another is the x and + sign in the handball court. X and + can be used like this: $13 + 13 = 26$ & $13 \times 2 = 26$.
- The basketball court outlined by the yellow and blue lines is a rectangle.
- There is a circle in the very middle of the basketball court.
- There are rectangle bricks and rectangle tiles above the stairs.
- The line in between the shooting area circle can be resembled as a minus sign. The minus sign can be used in this case: $39 - 13 = 26$.
- There are 4 right angles on each handball square. The right angles are in the inner corners of the handball square.
- All the lines that cut the 3 circles in half, as shown on the photo of the basketball court, represent the diameter of the circles, which is the measurement of the inside length of the circle from one end to the other. If the diameter of the circle is divided by 2 or cut in half we then know the radius of the circle.
- The circles that are cut in half represent a line of symmetry. A line of symmetry is like a mirror reflection, on one side there is a semi circle and the other side there is a semi circle.
- There are parallel lines on the side of the yellow and blue rectangle of the basketball court. There are also parallel lines inside the basketball court. Parallel lines never meet like train tracks.

Shanul (Kindergarten)

Eloise (Year One)

The handball courts make Plus signs. I found 4 circles. the circles have a line through it making halves. There are a rectangle on the basketball back boards. The stairs are a rectangle.

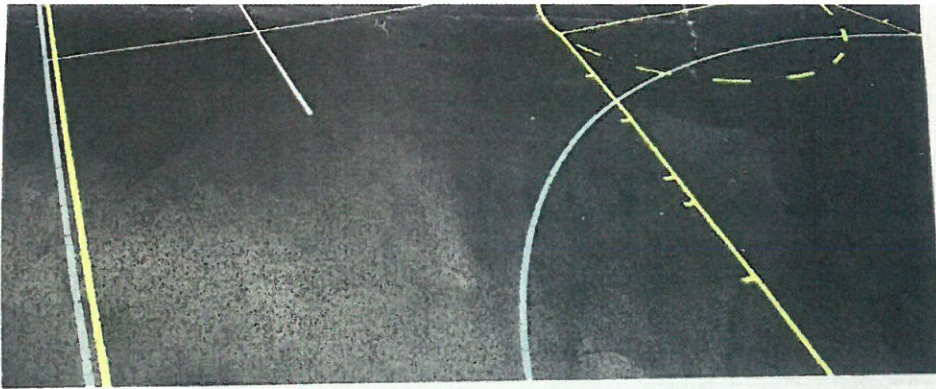

Eloise Atkinson yr 1

Ethan (Year Four)

I could see squares, \div signs, — signs, t signs, a right angle, circle, rectangles.

Tabitha (Year Two)

We can see shapes, counting numbers, measurements, angles.
 3 big circles, 1 small circle, 10 half circles, 2 parallel lines, 6 right angles, 7 seating steps
 4 rectangles, 3 basket ball post, 3 big squares, 3 small squares, 3 round rings, The court
 divided according to the measurements, 2 equal size in the middle and
 2 equal size at the ends.

MATHS CHALLENGE

Imagine a large pile of coins.

- When the coins are put in groups of 2 there is one coin left over.
- When they are put in groups of three, five and six there is also one coin left over.
- When they are put in groups of seven there are no coins left over.

How many coins could there be?

Show your working out to PROVE that your answer is correct.

Please submit your answers by sending them to the school office, addressed to Miss Brady or email them to sbrady1@parra.catholic.edu.au titled "Maths Challenge".

Submissions for this question are due by 29/03/19

Impressive entries will be featured in our next newsletter.

Safe and Caring Hands

In Year Four, we aim to use *Safe and Caring Hands* at all times.

Safe and Caring Hands is an important rule at Christ The King because it keeps everyone safe and helps us to be happy at school.

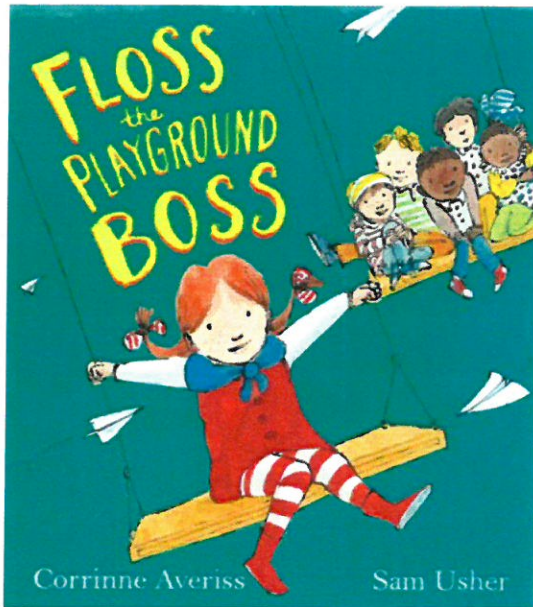

To make sure we are using Safe and Caring Hands,
there are a few things we can do...

- When we disagree... we use our words to talk about it and come to an agreement
- When we are frustrated... we try to stay calm and talk it out.
- When somebody is hurt... we check to see if they are okay.
- When we play games... we are gentle and do not play rough.

Year 4

Year One have been busy doing lots of reading this term. One of our favourite books was Floss the Playground Boss.

We learnt so much from this book including what to do when someone is trying to boss us around on the playground

FIAT Newsletter!

Quote of the week...

"I talk to Jesus as a Friend. I say, Jesus! Please don't make me crash into a tree. I say, Jesus! Please help me find a parking spot!"

-Fr Rob Galea

FIAT Catch Up

On February 21st, Christ The King Faith in Action Team (FIAT) rode a bus from our school to Penrith Leagues. Sr Rosie and Mr James from the Catholic Youth Parramatta team came up on the stage and introduced Fr Rob and the songs. As we sang and danced, it was a great time! We even had a student represent the school up on stage! Overall, it was a great time!

During FIAT these last few weeks, we have been having a lot of fun preparing posters and designs to put around the school. We have put up a decorative poster of CTK FIAT which has pictures of how we see Jesus in our lives. If you want to see it, it is located at the staff room window. We have divided ourselves up into groups. The Media Team, who are writing this now. The Liturgy Team, who are secretly working on a end of term liturgy. The Art and Craft Team, who are busy making art and the Fr. Rob Team who focus on spreading the words of Fr. Rob to the school.

We interviewed Mr Horne, the Year 3 teacher and FIAT coordinator with Mrs Cook!
We asked him: How do you think FIAT is going so far this term?

Response: I think it was a great start. There's lots of children who would start their life just learning about their faith, they have got lots of energy. It's great to see their faith being shared throughout the community.

We also asked him: Do have any ongoing plans for the other terms for FIAT when new people are coming and old people may be leaving?

Response: Well, I hope not too many people go out and I'm happy for as many people as possible and I hope the people that are already in take on a bit of a role to help guide the new people joining and to create a sort of community between us all.

Yours in Faith. CTK FIAT!

To install it, just search for our school name "Christ the King Primary North Rocks" in either the Apple App Store, Google Play Store or on Windows.

HAVING ISSUES WITH THE Skoolbag app
